

Summer Educational Program

Youth Opportunities United • 300 West Green Street, Pasadena, California 91123

This letter brings you the acceptance information you have been waiting to receive. Your application for admission to the 1977 Y.O.U. Summer Educational Program has been reviewed and you have been accepted for:

SESSION # 1

SESSION # 2

BOTH

We wish to provide an opportunity for as many to attend SEP as possible. If you wish to attend both sessions, it will only be as openings are available.

Enclosed are information and instructions which you and your parents will need to prepare for the trip to Orr. Please read and follow the instructions carefully. The Student Health Certificate, Insurance Application, and SEP Billing Notice must be filled out and received by May 15, 1977. A return envelope is enclosed for your convenience.

HEALTH EXAMINATION

A health examination is required by the State of Minnesota for all students attending the program. Please have a local doctor complete the health form and sign it in the appropriate place. Send this health record to the Y.O.U. office in Pasadena.

ACCIDENT POLICY

Every student of the Y.O.U. Summer Educational Program is required to complete the enclosed accident policy application. All we need is the applicant's name, residence address, beneficiary's name and address, the relationship of the beneficiary to the proposed insured, and the signature of the proposed insured. The application will be completed by Justice Life Insurance Company and a policy issued. Cost of the policy is covered in your application fees to attend camp.

TUITION

Payment by check is always acceptable, however, we have also set up a credit card payment plan that should benefit all of you and greatly cut down on the procedures at Headquarters.

Acceptance to SEP is complete upon receipt of full payment. The deadline date is May 15, 1977. Receipt of your check (full payment) or permission to

charge your credit card account recorded on the Billing Notice will complete conditions of acceptance to the program.

Make checks payable to Y.O.U. Summer Educational Program. Return the Billing Notice and payment or credit card information to our business office at 300 West Green Street, Pasadena, California 91123.

NOTE: If payment is not received by the deadline we cannot process your application.

GYMNASIUM

The fully equipped gymnasium built this year at Orr will make it possible to provide special training in basketball, volleyball, cheerleading and social recreation. One of the most important aspects of a program of this sort is to protect the equipment and facilities. Regular basketball shoes, to be worn only in the gymnasium, will be required for each student.
